

Sthuthi Poojary

Aspiring Machine Learning Engineer | Full Stack Developer | AI Innovator

sthuthim870@gmail.com | +91-7795009031 | [linkedin.com/in/sthuthi-poojary-11a154293](https://www.linkedin.com/in/sthuthi-poojary-11a154293) | github.com/sthuthii

Technical Skills

- **Languages:** C++, Python, JavaScript, SQL, C, R
- **Frameworks:** React, Node.js, Flask, FastAPI, Next.js, Express.js, Django
- **Tools:** Git, Firebase, VS Code, SQLite, GitHub, Docker, Postman

Projects

Ingredify – Food Ingredient Scanner App

2023

- Built a full-stack app using React and Firebase to analyze packaged food ingredients, enabling food transparency for health-conscious users.
- Integrated OCR for ingredient detection with 95%+ label accuracy and personalized allergen alerts.

Smart Waste Collection Ecosystem for Mangaluru

2024

- Developed a React + Firebase waste management system for real-time sanitation tracking with role-based access for citizens, health officers, and workers.
- Designed an admin dashboard for citizen reporting and ward-level GPS optimization.

Collaboard – Collaborative Task Management App

2025

- Designed a real-time collaborative platform for group projects and teamwork, improving coordination and productivity.
- Used WebSockets for sub-100ms synchronization between users for live updates.

PCOS Detector using Machine Learning

2025

- Developed a model to predict PCOS likelihood using daily health metrics.
- Expanding into a full-stack system to assist women with early PCOS detection and awareness.

Experience

Genesys – Hackathon at PES College of Engineering

2024

- Built a health transparency app within 24 hours.
- Collaborated with a 4-member team on UI/UX, backend integration, and pitching.

Smart India Hackathon (SIH)

2024, 2025

- Shortlisted among the top 10 teams in internal rounds for two consecutive years.

Education

Bachelor of Technology in Artificial Intelligence and Machine Learning

Aug 2023 – Present

Sahyadri College of Engineering and Management, Mangalore

PCMB

Aug 2021 – Jun 2023

St. Aloysius Pre-University College, Mangalore

Activities

- Organizer at **SOSC (Sahyadri Open Source Community)** – led workshops, coding contests, and developer events.
- Mentor at **HackHarbour 3.0**, guiding 100+ second-year students in technical learning.
- Hosted **O(n)slaught**, an inter-college competitive programming contest in Devhost 2025.

Skills & Interests

- **Software:** Word, PowerPoint, Excel, Adobe Photoshop
- **Interests:** Blogging, Dancing, Fitness, Cooking
